Yes! It snows once a year in Torrance.

Come and join me and Tom at our hill top home and build a snowman, tell Santa your holiday wishes, listen to carolers, eat great food, and have fun in our own WINTER WONDERLAND! There will even be FIREWORKS!

Please bring your friends, family, and co-worker's; AND a bag of rice, pasta, or canned protein. We want to share our cheer with *Community's Child* a local provider of shelter for homeless women and their children.

Oh, and remember your mittens and an extra pair of socks. It can get wet and chilly up here!
